If you are Proving up on your claim be sure and read your Publication Notice carefully when it appears in the paper, and if there are any errors notify this office promptly and they will be corrected.

#### NOTICE TO HOMESTEADERS.

All live entries in the Fort Sumner Dist. have been assigned a new serial number. You will therefore take notice that in case the serial number is changed in your Notice of Final Proof, that the same is not an error, but is our new serial number.

Very respectfully,

A. E. Curren,  
Register.

#### DON'T FORGET

That if you have any land business to transact in Chaves county you can do it before the Commissioner at Kenna. This is a ruling from the General Land Office at Washington. The U. S. Commissioner here has jurisdiction in Chaves county the same as anywhere in the Fort Sumner Land District. Of course if you are south of township 5-s you will make your Entries and Final Proofs in the well, but you can transact the business at Kenna, the same as here-to-fore.
